

Flaglines

1

Print out 7 hong baos using recycled papers or on the unprinted side of used papers, and leave it to dry. Once dried trim off the excess.

2

Fold along the dotted lines.

Flaglines

3

Glue the flaps of the Hong Bao and join them together into a plus sign.

4

Glue the flaps of the Hong Bao and join them together into a triangle shape.

Flaglines

5

Then join the two halves together. Now you have your lunar lanterns.

LUNAR NEW YEAR CRAFT

Print this Hong Bao out and trim off the excess!
